Completely Remodeled Trinity Vicinity Victorian!

Welcome to the fabulously remodeled three-story Victorian home. Located in the Trinity Vicinity area, enjoy being close to downtown shops, dining and entertainment. A spacious front porch offers space sit and take in the fresh air. Inside, an expanded foyer with bow window affords room for a sitting area. Gleaming hardwood flooring, recessed lighting, fresh paint, and exposed brick pairs original character with modern touches. A lovely gas fireplace is the highlight of the formal living room. The dining room is dinner party ready and flows effortlessly into the remodeled kitchen. Chic updates include open shelving, subway tile backsplash, stainless appliances, and warm wood cabinetry. Start and end the day in the attractive master bedroom which boasts a large walk-in closet. Three additional bedrooms, two with striking exposed brick accent walls, are comfortable spaces for all. Each of the two full bathrooms have been completed renovated with beautiful tile work, new fixtures and granite topped vanities. A full basement makes for excellent storage. The private, fenced backyard is a welcomed retreat in the middle of the city. Move right in and start enjoying the top notch home!
